- The tender shall be accompanied by earnest money (unless exempted) of Rs. 950
 in the form of DD of a scheduled Bank issued in favour of ACCOUNTS OFFICER(CASH), O/O The GM(TD), SAMBALPUR, the
 amount being credited to Nationalized Bank / State Bank.
- 9) The description of the work is a follows :-

Name of the work :-

Repairing of miscellaneous Sub-Station faults (HT) of T.E. and BTS sites under ESD, Bolangir.

Copies of other drawings and documents pertaining to the works will be open for inspection by the tenderers at the office of the above mentioned officer. Tenderers are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their tenders as to the ground and sub - soil.(so far as is practicable), the form and nature of the site, the means of access to the site, the accommodation they may require and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their tender. A tenderer shall be responsible for arranging and maintaining at his own cost all materials , tools & plants, water, electricity access, facilities for workers and all other service required forexecuting the work unless otherwise specifically provided for in the contract documents. Submission of a tender by a tenderer implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and of conditions and rates at which stores, tools and plants, etc. will be issued to him by the department and local conditions and other factors having a bearing on the execution, of the work.

The competent authority on behalf of the BSNL does not bind himself to accept the lowest or any other tender and reserves to himself the authority to reject any or all the tenders received without the assignment of any reason. All tenderers in which any of

1 the prescribed condition is not fulfilled or any condition including that of conditional rebate is put forth by the renderer shall be summarily rejected. The public enterprises that avail benefits of the purchase preference should be subjected to adequate penalties for cost overruns etc.

- 2 Canvassing whether directly or indirectly, in connection with tenders is strictly prohibited and the tenders contractors who restore to canvassing will be liable to rejection.
- ³ The competent authority on behalf of BSNL reserves to himself the right of accepting the whole or any part of the tender and the tenderer shall be bound to perform the same at the rate quoted.

The contractor shall not be permitted to tender for work in the BSNL (responsible for award and execution of contracts) in which his near relative is posted as divisional accountant or as an officer in any capacity between the grades of Superintending Engineer and Junior Engineer(both inclusive). He shall also intimate the names of persons who are working with him in any capacity or are

⁴ subsequently employed by him and who are near relatives to any gazetted officer in the BSNL or in the Ministry of communication. Any breach of this condition by the contractor would render him liable to be removed from the approved list of contractors of this Department.

No Engineer of gazetted rank or other gazetted officer employed in Engineering or Administrative duties in an Engineering Department of he Government of India is allowed to work as a contractor for a period of two years after his retirement from Government service, without the previous permission of the Government of India in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found any time 'to be such a person who had obtained the permission of the Government of 'India as aforesaid before submission of the tender or engagement in the contractor's service. The tender for the

⁵ works shall remain open for acceptance for a period of ninety days from the date of opening of tenders. If any tender withdraws his tender before the said period or makes any notifications in the terms and condition of the tender which are not acceptable to the department, then the Government shall, without prejudice to any other right or remedy, be at liberty to forfeit 50 % of the earnest money as aforesaid.

This Notice Inviting Tender shall form a part of the contract document. The successful tenderer/contractor, on acceptance of his tender by the Accepting Authority, shall, within 15 days from the stipulated date of start of the work sign the contract consisting of :-

a) The Notice inviting tender , all the documents including additional conditions, specifications and drawings, if any, forming the tender as issued at the time of invitation of tender and acceptance thereof together with any correspondence leading there to.

b) Standard C.P.W.D. form 8.

Sub-Divisional Engineer(E), BSNL Electrical Sub-Division, Bolangir

Near relative(s) of BSNL employee not permitted to tender :

The company or firm or any other person is not permitted to tender for works in BSNL unit in which his near relative(s) is (are) posted. The unit is defined as SSA/ Circle / Chief Engineer / Chief Architect / Corporate office for non- executive employees and all SSA in a circle including circle office / Chief Engineer/ Chief Architect/ Corporate office for executive employees (including those called as Gazetted officers at present).

Therefore, it has been decided by the competent authority that a clause must be added in the tender and other related documents that the tenderer should give a certificate that none of his / her such near relatives is working in the units as defined above where he is going to apply for tender. In case of proprietorship form certificate will be given by the proprietor, for partnership firm certificate will be given by the partners and in case of limited company by all the directors of the company. Any breach of these conditions by the company or firm or any other person, the tender / work will be cancelled and earnest money/security deposited will be forfeited any stage whenever it is so notices. The department will not pay any damages to the company or firm or the concerned person. The company or firm or the person will also be debarred for further participation in the concerned unit.

- a) out by him for the period of one year from it's commissioning & make good / repair / replace the faults during this period without any extra cost, failing which the same shall got done at the risk and cost of the contactor.
- 9) Security deposited of the contractor shall be released only after satisfactory completion of guarantee period.
- 10) Makes of product shall be as per product directory enclosed or approved by the Engineer in Change.

Sub-Divisional Engineer(E), BSNL Electrical Sub-Division, Bolangir

"ESSENTIAL CONDITIONS OF CONTRACT"

The firm shall read care fully the following conditions and shall quote accordingly conforming all the points in their offer. Firm should specifically note that if they do not enclose E.M.D. with their tender , their tender will not be opened at all.

TAXES AND DUTIES : BSNL shall deduct income tax and other statutory deductions / cess from payments due to the firm as per rules of he State / Central Government. The Accounts Officer of the concerned Division shall issue certificates for such deductions to the firm. In case of statutory variation in GST within the stipulated date of completion of individual agreement, the same shall be paid or recovered as per the actual against documentary proof for major equipments/ materials. However, beyond this period BSNL will

take advantage of any duty reduction but will not pay extra on account of duty increase.

- Evaluation of Tenders:-The evaluation and comparison of responsive tenders shall be done on the basis of cost to BSNL, considering GST as Input Tax Credit.
- 3 Loading , unloading , transportation, insurance etc. shall all be included in their offer.

All the materials will be under the charge of the contractor till it is completed and handed over . No materials will be removed from ⁴ site without written permission of the Engineer - in Charge.

- 5 Firm shall confirm to carry out the work as per the N.I.T. conditions.
- ⁶ PAYMENTS TERMS : No advance payments will be made. Stipulations like levy of interest if any payment is not made in specificied time is not acceptable to the department.

Offer should be clear : Any ambiguous offer is liable fo rejection by the department. There will be no negotiation with the lowest 7 tenderer. Hence the firms are requested to quote carefully. Department's decision in this regard shall be final and binding on the tenderer. Offer with condition will be summarily rejected. GST

8.1 All taxes and Duties are as per applicable GST. Variation if any will be guided by Statutes pertaining to GST.

8.2 The Firm shall furnish Invoices to BSNL for availing of applicable Input Tax Credit.

8.3 Vendors should furnish the correct HSN/SAC code. If the Input Tax Credit (ITC) under GST is found to be not admissible at any stage subsequently owing to wrong furnishing of data, the vendor will be liable such non-admissible amount, if already paid along with penalty if charged by the concerned authority.

8.4 If the Vendors fail to furnish necessary supporting documents for availing of input tax credit by BSNL, the amount pertaining to such input credit will be deducted from the payment due to the firm.
 8.5 Invoices should clearly indicate break up details of composite price i.e. unit price of goods/services/materials and

GST etc. 8.6 In case of any statutory variations in regard to GST or any other taxes, within the currency of contract including

extension period if any, the same shall be admissible as per prevailing GST laws as applicable subject to the condition that, the reason for such extension of time period is not attributable to the agency

Sub-Divisional Engineer(E), BSNL Electrical Sub-Division, Bolangir

- 8 All non-metallic conduit pipes and accessories shall be of I.S.I marked, conduit accessories shall be of grip type / threaded type.
- 9 PVC conduit to be used shall be ISI marked heavy gauge and fire retardant quality.

The switch box shall be made of mild steel of size 16 / 18 SWG as per CPWD specification except the front side. The clear depth of 10 M.S. switch shall not be less than 60 mm. Phenolic laminated sheet cover of 3 mm thick shall be provided in the front side of box.

11 Earthing shall be carried out in presence of representative of the department.

Numbering and sign writing of entire installation shall be carried out by the contractor as per instructions of the Engineering - in-¹² Charge for which nothing extra shall be paid.

13 On completion of installation following tests shall be carried out:;-a) Insulation resistance test, b) Polarity test, c) Earth continuity test & d) Earth electrode resistance test.

On completion of electrical installation a certificate shall be furnished by the contractor in prescribed proforma, this certificate shall be in addition to the certificate required by local electric supply company.

15 Breaking capacity of MCBs should be 10 KA.

	Name of work:				
			Repairing of miscellaneous Sub-Station faults (HT) of T.E. and BTS sites under ESD, Bolangir.		and BTS sites
SI. No.	Description of items	Unit	Rate	Qty	Amount
	Attending to break down calls, physical inspection of DP structural items, earthing, jumperings, connections, overhead lines for finding faults & taking subsequent remedial measures for restoration of power supply etc. complete as required.	Each		2	
2	Attending to break down calls, liasoning for power shutdown from supply company, physical inspection of DP structural items, earthing, jumperings, connections, overhead lines for finding faults, arranging inspection of supply company/MRT authorities if required, energisation of substation etc. complete as required.	Each		1	
3	Dismantalling the 63KVA faulty transformer from the existing D.P. structure & installation of standby/repaired transformer as a stop gap arrangement by engagement of labour, required tools & plant with proper precautionary measures etc. as required.			1	
4	Transportation of transformer from BSNL Electrical Sub- Division to individual sites & from site to BSNL Electrical Sub-Division on road by engagement of required man power, tools & plants, lifting cranes, suitable transportation medium including loading and unloading at both ends etc. complete as required. (The rate should be inclusive of toll gate fee/charges wherever applicable, nothing extra will be paid. Distance will be on shortest route only).				
	a) For distance more than 50 Km but upto/including 100 Km.	Each		1	
5	Thorough servicing of AB Switch, adjusting of bearings, male/female contacts, lubricating of moving items i/c replacement of necessary minor defective spares like bolts, clamps, checking the functional operation, checking of horn gap/ drop out fuse, checking of risers, adjustment of horn gap distance i/c replacement of necessary minor defective spares like bolts, etc. complete as required.	Each		1	
6	Replacement of the following defective spare parts of gang operated air break switch/ drop out fuse by new one i/c fitting etc. as reqd.				
	 a) Male / Female contact made of brass for 200 Amps air break switch. 	Each		2	
	 b) Heavy duty opearting pipe along with accessories for air break switch i/c fabrication. 	Each		1	
	c) Post insulator of the horn gap fuse / air break switch unit with all accessories.	Each		1	

Supply & fixing of 11 KV, off load, single break, triple pole, horizontal type, gang operated air break switch having 2 nos. 11 KV post type insulator per phase complete with galvanised channel iron base, arcing horns, 25 mm dia. 6 mtr. long GI pipe, tinned copper wire braided flexible earthing & operating handle with locking arrangement etc. complete as required.	Each		1	
Supply & fixing of 3 phase, 11 KV outdoor type horn gap/ drop out fuse unit having 2 nos. 11 KV post type insulator per phase complete with channel, cu-wire etc. as required. (one set comprising 3 units).	Each		1	
Supply & fixing of 11 KV pin insulator with large steel head G.I. pin, nuts, washers on existing HT pole/ DP structure etc. complete as required.			2	
Supply & fixing of 11 KV disc insulator with galvanised insulator fittings, ball and socket type and complete with galvanised strain clamps, bolts, nuts, washers etc. as required.	Feeb		1	
Supplying and making end termination with aluminium / copper sockets following size of PVC insulated and PVC sheathed / XLPE aluminium/copper conductor cable of 1.1 KV grade as required.				
a) Making end termination with 16sqmm to 70 sqmm Al socket.	Each		4	
Supplying and making outdoor cable end termination with heat shrinkable jointing kit complete with all accessories including lugs suitable for 3 core, 35 sqmm, XLPE aluminium conductor cable of 11 KV grade as required.	Each		1

Sub-Divisional Engineer(E), BSNL Electrical Sub-Division, Bolangir

PROFORMA OF SCHEDULES

(Operative Schedules to be supplied separately to each intending tenderer)

SCHEDULE 'A'

Schedule of quantities :Enclosed.

SCHEDULE 'B'

Schedule of materials to be issued to the contractor.

	Description of item	Quantity	Rates in figures and	Place of Issue		
SI. No.	2	3	4	5		
1						
	NII					

SCHEDULE 'C

Tools and plants to be hired to the contractor

	Description of item	Hire charges per day	Place of Issue		
SI. No.	2	3	4		
1					
	NIL				

SCHEDULE 'D'

Extra schedule for specific requirement/documents for the work if any.

A. General conditions & specifications :Enclosed

B. List of approved makes :Enclosed

C. Correction slips :Enclosed

SCHEDULE 'F'

Reference to General Conditions of contract.

Name of work:

Repairing of miscellaneous Sub-Station faults (HT) of T.E. and BTS sites under ESD, Bolangir.

Sub-Divisional Engineer(E), BSNL Electrical Sub-Division, Bolangir

Sub-Divisional Engineer(E), BSNL Electrical Sub-Division, Bolangir

Sub-Divisional Engineer(E), BSNL Electrical Sub-Division, Bolangir

Estimated cost of work: Earnest money:

47510.00 950

 Security Deposit:
 5 % of the tendered value of the work.

 Performance guarantee
 5% of the tendered value of the work. The same to be submitted to EE(E)

 OFNER N. PULLED
 5% of the tendered value of the work. The same to be submitted to EE(E)

GENERAL RULES and DIRECTIONS:

Officer inviting tender:

Maximum percentage for quantity of items of work to be executed beyond which rates

Definitions:

2(v)	Engineer-in-Charge
------	--------------------

2(viii) Accepting Authority

2(x) Percentage on cost of materials and labour to cover all overheads and profits.

2(xi) Standard Schedule of Rates
2(xii) Department
9(ii) Standard CPWD contract Form
Clause 2
Authority for fixing compensation under Clause 2.

10% SR-INTERNAL-2007 & SR-EXTERNAL-2007 BSNL CPWD Form 8 as modified & corrected upto date

Superintending Engineer (E), BSNL Electrical Circle, Bhubaneswar.

Clause 5

Time allowed for execution of work. Authority to give fair 01 Month and reasonable extension of time for completion of work.

Specifications to be followed for execution of work CPWD internal and external specification up to date Clause 12 12.1.2 (iii) Schedule of rates for determining rates for additional, altered or, substituted items that cannot be determined under 12.1.2 (ii) and (ii) SR-INTERNAL-2007 & SR-EXTERNAL-2007 12.1.2 (iii) ± the % over the rate entered in the schedule of rates.
