Executive Engineer (E), BSNL Electrical Division, Bhubaneswar. on the same day at 03.30 PM.	up to 03.00 PM on 05.10.2018 and will be opened by him or his suthorized representative in his offic					
8) The tender shall be accompanied by earnest money of Rs. Accounts Officer(CASH), BSNL, GMTD, BHUBANESWAR, the am	in the form of DD of a scheduled Bank issued in favour of nount being credited to Nationalized Bank / State Bank .					

9). The description of the work is a follows :-

### Name of the work :-Rectification of fault of Automatic Fire Detection and Fire Alarm system at Telephone Bhawan, Phulbani.

Copies of other drawings and documents pertaining to the works will be open for inspection by the tenderers at the office of the above mentioned officer. Tenderers are advised to inspect and exmine the site and its suttoundings and satisty themselves before submitting eheir tenders as to the ground and sub - soil.( so far as is practicaable ), the form and nature of the site , the means of access to the site , the accomodation they may require and in general shal themselves obtain all necessary information as to tisks , contingencies and other circumstances which may influence or affect their tender . A tenderer shall be responsible for arranging and maintaining at his own cost all materials , tools [;ants, water , electricity access, facilities for workers and all other service required for executing the work unless otherwise specifically provided for in the contract documents. Submission of a tender by a tenderer ijplies that he has read this notice and all other contract documents and has made himself aware of the scope and

conditions and ates at which stores, tools and plants, etc. will be issued to him by the department and local conditions and other factors having a bearing on the execution, of the work.

1. The competent authority on behalf of the BSNL does not bind himself to accept the lowest or any other tender and reserves to himself the authority to reject any or all the tenders received without the assignment of any reason. All tenderers in which any of the prescribed condition is not fulfilled or any condition including that of conditional rebate is put forth by the renderer shall be summarily rejected.

The public enterprises that avail benefits of the purchase preference should be subjected to adequate penalties for cost overruns etc. 2. Canvassing whether directly or indirectly, in connection with tenders is strictly prohibied and the tenders submitted by the contractors who restore to canvassing will be liable to rejection.

3. The competent authority on hehalf of BSNL reserves to himself the right of accepting the whole or any part of the tender and the tenderer whall be bound to perform the same at the rate quoted.

4. The contractor shall not be permitted to tender for work in the BSNL (responsible for award and execution of contracts) in which his near relative is posted as divisional account tant or as an officer in any capacity between the grades of Superintending Engineer and Junior Engineer(both inclusive). He shall also intomate the names of persons who are working with him in any capacity or are subsequently employed by him and who are near relatives to any gazetted officer in the BSNL or in the Ministry of communication. Any breach of this condition by the contractor would render him liable to be removed from the approved list of contractors of this Department.

5. No Engineer of gazetted rank or other gazetted officer employed in Engineering or Administrative duties in an Engineering Department of he Government of India is allowed to work as a contractor for a period of two years after his retirement from Government service, without the previous permission of the Government of India in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found any time to be such a person who had abtained the permission of the Government of India as aforesaid before submission of the tender or engagement in the contractor's service.

The tender for the works shall remain open for acceptance for a period of ninety days from the date o opening of tenders. If any tender withdraws his tender before the said period or makes any notifications in the tems and condition of the tender which are not acceptable to the department, then the Government shall, without prejudice to any other right or remedy, be at liberty to forfit 50 % of the earnest money as aforesaid.

6. This Notice Inviting Tender shall form a part of the contract document. The successful tenderer / contractor, on acceptance of his tender by the Acepting Authority, shall, within 15 days from the stipulated date of start of the work sign the contract consisting of :-

a) The Notice inviting tender, all the documents including additional conditions, specifications and drawings, if any, forming the tender as issued at the time of invitation of tender and acceptance thereof together with any correspondence leading there to.

b) Standard C.P.W.D. form 8.

#### Near relative(s) of BSNL employee not permitted to tender :

The company or firm or any other person is not permitted to tende for works in BSNL unit in which his near relative(s) is ( are ) posted . The unit is defined as SSA/ Circle / Chief Engineer / Chief Arch / Corporate office for non- executive employees and all SSA in a circle including circle office / Chief Eng. / Chief Arch. / Corporate office for executive employees ( including those called as Gazetted officers at present).

Therefore, it has been decided by the competent authority that a clause must be added in the tender and other related documents that the tenderer should give a certificatethat none of his / her such near relatives isn working in the units as defined above where he is going to apply for tender work. In case of proprietorship form certificate will be given by the proprietor, for partnership firm certificate will be given by the partners and in case of limited campany by all the directors of the company.

Any breach of these conditions by the company or firm or any other person, the tender / work will be cancelled and earnest money / security deposite will be forfeited any stage whenever it is so notices. The department will not pay any damages to the company or firm or the concerned person. The company or firm or the person will also be debarred for further participation in the concerned unit.

#### FORMAT OF THE CERTIFICATE TO BE GIVEN BY THE FIRM/ PERSON:

I \_\_\_\_\_\_ S/O \_\_\_\_\_ R/O \_\_\_\_\_\_ here by certify that none ofmy relative(S) as defined below is/ are employed in BSNL unit as per details given in the tender documents. In case at any

stage, it is found that the information given by me is false / incorect, BSNL shall have absolute right to take any action as deemed fit / without any prior intimation to me.

a) Members of Hindu Undivided family,

b) They are husband and wife,

c) The one is related to the other in the manner as father, mother, son(s) & son's wife (daughter- in - law), Daughter(s) & daughter's husband (sonin law, brother(s) & brother's wife, sister(s) & sister's husband(brother in law).

Signature of the firm / person.

PROFORMA OF SCHEDULES (Operative Schedules to be supplied separately to each intending tenderer)

Schedule of materials to be issued to the contractor.

Sr.			Rates in figures and words at				
No.	Description of item	Quantity	Quantity which the material will be				
1	2	3 4		5			
	As mentioned in the Schedule of work						

## SCHEDULE 'F'

Reference to General Conditions of contract.

Name of work:	Rectification of fault of Automatic Fire Detection and Fire Alarm				
	system at Telephone Bhawan, Phulbani.				
Estimated cost of work:	69545.00				
Earnest money:	1391				
Performance guarantee	5% of the tendered value of the work in the form of Bank Guarantee from Scheduled Bank in respect of works				
	with estimated cost put to tender exceeding Rs6 lacs.				
GENERAL RULES and DIRECTIONS:					
Officer inviting tender:	Executive Engineer (E), BSNL Electrical Division, Bhubaneswar.				
Definitions:					
2(v) Engineer-in-Charge	Executive Engineer (E), BSNL Electrical Division, Bhubaneswar.				
2(vi) Accepting Authority	Executive Engineer (E), BSNL Electrical Division, Bhubaneswar.				
2(x) Percentage on cost of materials and	10%				
labour to cover all overheads and profits.					
Clause 5					
Time allowed for execution of work.	30 days				
Authority to give fair and reasonable extension	SE(E)				
of time for completion of work.					
Clause 12	NA				
<b>12.1.2</b> (iii) Schedule of rates for determining	± the % over the rate entered in the schedule of rates

## Clause.25

Authority competemt for conciliation S.E(E) not in charge

# Schedule-A

	Name of work:	Rectification of fau Phulbani.	Felephone Bhawan,			
SI. no.	Description of Items	Quantity	Rate (`)	Unit	Amount (`)	
1	SITC of photo electric smoke detector as per attached specifications as required.	18		Each		
2	SITC of twin LED type response indicators with suitable 16gauge M.S/Almunium box, Acrylic sheet cover of min 2mm thick LED etc. as required.	3		Each		
3	SITC of manual push button station (pill box) in almunium cast body as per specifications as required.	2		Each		
4	SITC of 4" electronic hooter cum speaker suitable for PA system made up of 16 SWG MS sheet with range of 25 to 30mtrs with 4 watt output as per specifications and entire unit of the same make as of control panels.	2		Each		
5	SITC of 6 zone microprocessor based local fire alarm control panel fabricated with 16 gauge (1.6mm) CRCA sheet complete with dust & vermin proof with neoprene gasket, wall mounting type, hinged glass door with lock & key arrangement suitable for operation on 24V DC supply, incorporating audio visual indication for each zone, etc. complete as per detailed specification attached as required. (Make - As per approved product list)	1		Job		
6	SITC of 12V maintenance free battery of Exide or SS Make not less than 26AH capacity with all accessories etc. as required.(Battery price has beeen derived after making less credit of the old battery).	2		Set		
7	Supplying & laying of following sizes ISI marked PVC insulated FRLS copper conductor armoured cables on the ceiling/wall/cable tray etc. as required. a) 2 core 1.5sqmm	20		Mtr		
8	Supplying and fixing of 600mmx450mm laminated floor plan mounted on the hard board showing area covered by each zone along with each control panel etc. complete as reqd.	2		Each		

9	P/F of Photo luminescent non-toxic, non-radio active maintenance free self glowing exit signs, comprising zinc sulphide chargeable crystals which glows in dark. Printed on U- 1000 photo luminescent aluminium sheet containing luminescent 111 as base, chemical cover with U/V stabilized coating and mounting arrangement for wall/ ceiling mounting as per site conditions. The colour combination and size of the letters shall be as per IS:12349 amended up to date.		Sq. inch	
10	S/F circular MS box of 16gauge size 100mm dia on ceiling for fixing the detectors, painting etc. as required.	2	Each	
11	S/F brass compression gland suiatble for 2x1.5sqmm PVC insulated PVC sheathed armoured copper conductor cable etc. as required.	6	Each	
12	Thorough checking, cleaning and testing of the AFD & FA system of 12 Zone main control panel existing in the Ground Floor, i/c restoration of individual Zone and syncronasing with individual LCP, detectors, hooters, RIs etc i/c detecting the fault and minor repairing works etc as reqd.		job	
13	Smoke testing of the individual detectors, RI, Manual call point, hooter for it's function in presence of competent authority etc complete as required.		job
