No. S-31.3/CMTS/TENDER/BTS UPKEEPING/2019-20/12

Dt.12-12-2019

CORRIGENDUM No.1 (For Zone No. 1 to 15)

Ref: NIT No. S-31.3/CMTS/TENDER/BTS UPKEEPING/2019-20/5 Dt.27-11-2019

Name of the work:- UP-KEEPING AND MAINTENANCE OF MOBILE BTS SITES IN BSNL ODISHA TELECOM CIRCLE.

With reference to above cited tender and pre-bid meeting held on 06.12.2019, the reply to various queries of the vendors are clarified below for information of all concerned.

Sl. No.	Query raised by vendors (Related to scope of work of tender)	Clarification by BSNL Odisha
1	Maintenance material (i.e. lubrication oil, coolant, other materials etc.) may please be supplied by BSNL or else please consider to pay Rs 1000/- per site per month for providing maintenance material to maintain DG, DG Bty, AC, Canopy DG etc.	Maintenance Materials (i.e. lubrication oil, coolant, other materials etc.) will not be supplied by BSNL. The scope carries only top up of coolant, lubricant, distilled water etc. The required materials are to be supplied by the vendor at his own cost for satisfactory up-keeping and maintenance of BTS sites. The vendor should quote his rates in the financial bid taking all such things into consideration.
2	Vendor has to supply and replace faulty door lock/door hinges of canopy DG sets, but number of occasion for maintain such incident is not defined, which is a separate job can work out by skilled worker, hence separate rate may be approved for repair & replace of faulty door lock/door.	Invitation of separate rate for repair & replace of faulty door lock/ door hinges of canopy DG sets is not permissible. The required materials are to be supplied by the vendor at his own cost for satisfactory up-keeping and maintenance of BTS sites. The vendor should quote his rates in the financial bid taking all such things into consideration.
3	MUV has to move 3000 km per month, hence vehicle (MUV) registered within 2 years with RTO is required for better service. Hence we request monthly hire	Please refer page no. 59 of tender document, clause no. 3 of "other conditions", which is reproduced below and it is self-explanatory. <i>"The vendor will supply a commercial vehicle (MUV) with fuel and driver for movement of the personnel associated</i>

*contd. pg-2*

	for MUV may be considered for Rs 45000/-.	<i>with up-keeping and maintenance works for BTS sites like AGM/SDE/JTO of BSNL, Cluster Manager &amp; workmen of vendor and telecom equipment/ materials/ fuels/ lubricants etc. The vehicle is to be supplied on every working days and days of fault occurrence (even on holidays whenever required). Separate payment for vehicle, fuel and driver of vehicle will not be made as the lump sum cost per site is inclusive of all but excluding rigger cost."</i>
4	It is very difficult to taking care of 80 to 100 no. of site, hence we request you to consider for provision of one cluster manager for 50 to 60 no. of sites.	Considering quantum of works as defined under scope of work at NBSNL, BSNL and IP sites, the no. of sites per Cluster Manager is judiciously estimated. But, as per geographical locations of the BTS sites, the no. of sites per Cluster Manager may vary from SSA to SSA for proper up-keeping and maintenance works. The vendor should quote his rates in the financial bid taking all such things into consideration.
5	You have considered for providing riggers for 22 days in a month but maintenance of ODU and changing of card one rigger for 30 days, hence we request you to consider for provision rigger for 30 days.	The contractor/vendor is to supply riggers on man-day basis as and when required. The actual requirement of rigger jobs will be intimated by CMTS field unit officers. However it is taken as 22 days in a month for evaluation purpose only. The no. of riggers per day and no. of days of engagement of riggers will be as per actual requirement for which CMTS field unit officers are authorised to place work order to the vendor. The minimum rates of wages includes the wages for weekly day of rest. So, the claim of wage for a worker for the weekly day of rest is not admissible.
6	Modification of work experience criteria and to allow the work experience of Private Telecom Service Providers in addition to existing criteria.	Work experience criteria remains unchanged.

This issues with the approval of competent authority.
